Test report

Title:
“Size Guide” button does not contain content

Description:
When you click on the “Size Guide” button, the button is expanded but does not contain the content

List of steps for reproduction:
1. Open the page https://www.lagomwarsaw.com/
2. Select from a listing a product with multiple size variants
3. Navigate to the product detail page
4. Locate and click the “Size Guide” button

Actual result:
Notice that the guide is completely empty – no table, no descriptions, no instructions

Expected result:
A complete size chart with tables and/or measurement guides should be displayed
