Title:

“Size Guide” button does not contain content

Description:

When you click on the “Size Guide” button, the button is expanded but does not contain the content

List of steps for reproduction:

1. Open the page <https://www.lagomwarsaw.com/>
2. Select from a listing a product with multiple size variants
3. Navigate to the product detail page
4. Locate and click the “Size Guide” button

Actual result:

Notice that the guide is completely empty – no table, no descriptions, no instructions

Expected result:

A complete size chart with tables and/or measurement guides should be displayed
